Sandown, N. H., Feb. 27, 1923.

I have carefully examined the accounts submitted by the town officials for the fiscal year, ending Jan. 31, 1923.

I find the several accounts of Daniel A. McKay, clerk; John G. Goodwin, treasurer; Raymond K. Bassett, tax collector; Elwin C. Mills, road agent for 1921 and David J. King and Ralph S. True, road agents for 1922, correctly cast and properly vouched. The record of receipts and payments of the selectmen, Herbert W. True, James F. Sargent, George M. Griffin, and Maurice D. Hathaway, I find correctly cast, but with a long list of payments not properly vouched, particularly during the first six months of the fiscal year. The account of Woodbury S. Pervere, road agent for 1921, showed $11.75 received from selectmen with vouchers for 12.75 paid out.

The accounts of the selectmen showed payments of $597.73 to William R. Kirby, road agent for 1922 which was vouched for $566.04.

George E. Rowell, road agent for 1921, submitted no report.

CLARENCE I. DROWNE, Auditor.

REPORT OF SUPERINTENDENT OF SCHOOLS.

February 1, 1923.

To the School Board and Citizens of Sandown:

The following is my third annual report and is for the year beginning July 1, 1921 and ending June 30, 1922.

ABSENCE HAS DOUBLED IN YEAR

These figures show the alarming increase in absence from school.

Average number of sessions per pupil of absence	Year
20	1919-20
14.7	1920-21
35.5	1921-22 (Last year)

The progress of all pupils has greatly suffered because of this extreme amount of absence. Such poor attendance means that the work in the schools will fall much below standard and that many more pupils will fail to be promoted. The tardiness has nearly tripled.

PINE GROVE SCHOOL MUCH IMPROVED

The school board is to be congratulated on the improvements which the alterations which they planned and made has brought about in the Pine Grove School. It will repay any interested citizens to visit. The addition of sanitary connected toilets and pos-

sibly a jacketed stove would make it a school room to be proud of.

THINGS TO BE EMPHASIZED

The particular feature being emphasized this year is English. It is highly desirable that pupils be given an ability to express themselves correctly and effectively both when speaking and when writing.

I hope also to see an improvement in the ability to do arithmetic.

STATISTICS FOLLOW

Following this report are given the following statistics:

1.—Attendance Statistics, 1921-22.
2.—Pupils of perfect attendance, 1921-22.
3.—Tuition pupils, 1922-23.

5.—Transportation routes
6.—Staff of teachers
8.—Medical inspection.
7.—Highest score in superintendent's test

Respectfully submitted,
FRED E. PITKIN,
Superintendent of Schools.
